4 Areas Identified by Consultants:

- Feedback from consultants: (doc was shared to staff by Fran)
 - DOK/Rigor needs increased
 - Students need to do the “heavy lifting”
 - Question: where are we seeing this the most?
 - Students are not used to this type of learning-expect resistance
 - Fran talked with teachers about Flach’s feedback
 - We will not get individual feedback from Urbans
 - Suggested to plan questions ahead of time-better recall
 - Many of the urbans said our school looked like theirs(during walkthrus last week)

Assessment:

- Literacy Training update for reading/fluency-struggling readers
- Consultant hired by SST6/for 5 years
- Lists of students 9/10 made-based on RI and testing scores
- 3 assessments given to students-fluency/phonemics
- CTAG and Coaches testing students
- When scored, we will make plan for intervention
