Needs from TBT: LETRS Bridge to Practice will start in Oct. We will spend early release working on curriculum. This Wednesday will be Math.

Updates from DLT: Schoology - One lesson per week. (Kinder demonstrates how to log in first) Joel and Patrick could help with SS and Science lessons.

Jeannine is a possible resource to help first grade to log in.

Action Plan : Only focus on 3 areas.

Students that are requesting to return from online is increasing. We have had 20 come back today. We are letting students return. Teachers will be given two days to prepare for student returns. At some point we will need to determine when our live classrooms are larger than our online classes. This will cause a social distancing problem. Possible suggestions:

Can we partner up within the district?

Can we have one teacher do two grade levels?

Can we hire more long term substitute teachers?

Can we departmentalize in a grade level for the online classes?

BLT to share with TBT:
