### **Career Tech –**

**ELA – Study Sync:** High School and West. West expressed interest in the program, HS Department Head seeking feedback and will present results. Interviews ongoing

**Math –** Exploring i-Ready for High School. K-4 narrowed textbook choices down to 5 companies, 5-8 narrowed to 3 companies, presentations happening on Wednesdays in April and May, would like to have a decision made before we leave for break. Math Intervention Flow Chart work- meeting on May 3rd for ½ day in the afternoon with D. Engberg, Mary Moore, Holly Bowersock, and Kelli Lee. Ideally, this would be for grades K-12; however, we will have to wait and see if we can get teachers/ coaches/ admin to help out this summer.

**Science –** Considering ways to offer dual credit for science and one of the Agricultural Ed. courses.

**Social Studies –** 5-6 pacing guide update, curriculum resources updates using CARES Funds

### **Special Ed. –**

**Technology –** Testing update with Chromebook usage vs hardwired tech: Buildings need to ensure updates run before testing begins. BENQ at the high school next year? Pete will check if funding is available

**Motion to adjourn Meeting was made by Ms Ackerman and seconded by Patrick and was approved at 1:35 P.M.**
